Sense-ational Science

Experience the sensational world of science with Mad Science®. Light up your imagination as you blend and separate light, and trick your eyes with mirrors and optical illusions. Discover how to manipulate sound, harness the power of air, heat and static electricity. Explore food science as you practice chemistry in the kitchen and figure out how to build the perfect meal. And of course, get a great signature Mad Science take-home every day! Class content varies depending on series length. Visit mn.madscience.org for class syllabus at your location.
