

White Bear Lake

NASA Academy of Future Space Explorers

Explore the Earth, Moon, Mars ... and beyond. Mad Science teams up with NASA to bring you the excitement and wonder of space in this program featuring student activities from the NASA Academy of Future Space Explorers Program. This voyage of discovery features unique hands-on activities, amazing demonstrations and fun educational take-homes, in an experience that is truly out of the world! Class content varies depending on series length. Visit mn.madscience.org for class syllabus at your location.
