

Decoding the Mysteries of the Teen Domain

What is The Top Secret Project?

The Top Secret Project is a unique program designed to help parents recognize unfamiliar hazards that are often in plain sight. Featuring an extensive display of items often found in any home, the presentation includes looking at items that when seen through an educated lens, could be a signal that there's a problem. This event is interactive and accompanied by a presentation and a discussion with Hazelden Betty Ford Foundation staff.

Please join this FREE event to learn more about potential hidden hazards in a teen's domain.
