ACADEMIC YEAR CALENDAR

WELCOME TO THE 2019-20 SCHOOL YEAR!

I am excited to welcome you back for the 2019-20 school year!

We hope you will join us for events listed on the pages of this Activities Calendar and for important district and community conversations happening this year.

One important date on the calendar is Election Day (November 5), when we will ask the community to support a bond referendum question that addresses building needs across the district. The action follows a nearly year-long facilities planning process that included a 90-member Facilities Planning Committee composed of parents, staff and community members. Please watch for information to be coming from the district about this and other important initiatives happening this year.

We hope you join us for events and conversation this year!

Back to school information:

Emergency Weather Closing

When a decision is made to close schools, an announcement will be made over major radio and television stations as early in the morning as possible. The announcement will identify our school district as White Bear Lake Area Public Schools. Efforts will also be made to use the parent notification alert system to notify families of school closures. If no announcement is made, schools will be in session as scheduled. Parents may also check the District website or Facebook/Twitter page, or call the White Bear Lake Area School Closing Hotline number at 651-407-7540.

Transportation

Bus route information will be mailed to parents approximately one week before the first day of the school year. Students should be at the bus stop five minutes before the bus is scheduled to arrive. Students are only allowed to ride the bus to and from the school and bus stop they are assigned. Students are not allowed to ride another bus to events such as birthday parties, scouting, or other activities. Bus schedules are somewhat flexible during the first week of school while drivers become familiar with the routes.

In cases of inclement weather, bus drivers will try to maintain their schedules. However, if roads are icy or snow covered, buses may be late and parents and students should plan accordingly. Parents should use their discretion in sending children outside when the weather is extremely cold.

For more information about District transportation, please call the Transportation Office at 651-407-7538.

Early Childhood Screening - Screen At Three

- If health or developmental concerns are identified, educational services are available
- It is fun and provides parents/guardians with valuable information regarding child development

Minnesota Student Immunization Law

Minnesota Statutes Section 121A.15 and Minnesota Rules Chapter 4604 requires that each student enrolled in and remaining in an elementary or secondary school must submit a record stating that they have received immunizations consistent with medically accepted standards. Immunization records from parents or health care providers stating the month, day, and year of each dose are acceptable. If the student or parent(s) meets one of the legal exemptions - contraindication for medical reasons or contraindication for conscientiously held beliefs - the health care provider or notary needs to sign an appropriate exemption.

The following vaccines are required for all students entering kindergarten:

- Hepatitis B - three doses
- DTaP - five doses
- Polio - four doses
- MMR - two doses
- Varicella - two doses

The following vaccines are required for all students grades 1-12:

- Hepatitis B - three doses
- DTaP - three doses
- Polio - three doses
- MMR - two doses
- Varicella - two doses

Before entering 7th Grade:

- Tdap - one dose
- Meningococcal - one dose

Before entering 12th Grade:

- Meningococcal - two doses

For more information about immunizations, please contact your school nurse or health office.

Community Use of School District Facilities

The Community Services and Recreation Department maintains the school facility reservation schedule. Requests to use school district facilities should be made by emailing facilities@isd624.org or through the Facilities Scheduling line at 651-407-7503. Facility details and rental agreement information can be found at isd624.org/CommunityServices.

Scheduling requests should be made at least one week prior to the desired reservation date. If desired reservation date is less than one week from the activity date, the Community Services staff will make every effort to accommodate requests in a timely fashion.

School Breakfast/Lunch Program

The school district's Nutrition Services Program provides nutritious breakfasts and lunches at each school. Milk is included with meals and may also be purchased separately.

The White Bear Lake Area Schools offer a computerized meal payment system. Money is deposited into the student's individual account. During meal time, students enter a personal identification number (PIN) on a keypad that will access their account. Deposits into student accounts can be made each day at school or on the District website.

Students whose families qualify may receive free or reduced-price meals by completing the application available at their school. Applications can then be submitted to the Nutrition Services Office at 4855 Bloom Avenue in White Bear Lake and online at mealapp.isd624.org. The District follows strict non-discrimination rules to protect the anonymity of its students.

The department and the Minnesota Department of Education sponsor the USDA Child Nutrition Program. The USDA is an equal opportunity provider and employer.

¡BIENVENIDO AL CICLO ESCOLAR 2019-20!

Me complace darles la bienvenida al año escolar 2019-20.

Además de los eventos enumerados en las páginas de este calendario de actividades, esperamos que pueda participar de los importantes debates del distrito y la comunidad este año.

Una fecha importante en el calendario es el día de las elecciones (5 de noviembre), cuando le pediremos a la comunidad que apoye una pregunta de referéndum de bonos que aborda las necesidades de construcción en todo el distrito. La acción es el resultado de un proceso de planificación de las instalaciones que duró casi un año e incluyó un Comité de planificación para las instalaciones de 90 miembros compuesto por padres y miembros del personal y de la comunidad. No se pierda la información que llegará del distrito sobre esta y otras iniciativas importantes que tendrán lugar este año.

Esperamos que participe de los eventos y debates este año.

Información para el regreso a clases:

Cierre de emergencia por el clima

Cuando se toma la decisión de cerrar las escuelas, se hace un anuncio por las principales estaciones de radio y de televisión tan temprano por la mañana como sea posible. En el anuncio se identificará a nuestro distrito escolar como White Bear Lake Area Public Schools. También usaremos el sistema de alarma de notificación de padres para notificar a las familias de los cierres de las escuelas. Si no se hace ningún anuncio, las escuelas abrirán según lo planificado. Los padres también pueden consultar el sitio web del distrito o la página de Facebook/Twitter, o llamar a la línea de cierre de Escuelas del Área de White Bear Lake al 651-407-7540.

Transporte

La información de la ruta del autobús se enviará a los padres aproximadamente una semana antes del primer día del año escolar. Los estudiantes deben estar en la parada del autobús cinco minutos antes de la llegada del autobús. Los estudiantes solo pueden usar el autobús asignado para ir y regresar de la escuela. No se permite que los estudiantes utilicen el autobús para fiestas de cumpleaños, exploración ni otras actividades. Los horarios del autobús son un tanto flexibles durante la primera semana de escuela mientras los choferes se familiarizan con las rutas.

En caso de mal tiempo, los conductores del autobús tratarán de mantener sus horarios. Sin embargo, si los caminos están congelados o cubiertos de nieve, los autobuses pueden llegar tarde; los padres y los estudiantes deben planificar considerando eso. Los padres deben decidir si enviar o no a sus hijos a la escuela en días extremadamente fríos.

Para obtener más información sobre el transporte del distrito, llame a la Oficina de Transporte al 651-407-7538.
