Achievement and Integration 2020-21 Update

September 27, 2021

Achievement and Integration

The purpose of the Achievement and Integration (A&I) for Minnesota program is to pursue racial and economic integration, increase student achievement, create equitable educational opportunities, and reduce academic disparities based on students' diverse racial, ethnic, and economic backgrounds in Minnesota public schools.

There are four ways that a district can be eligible for the program:

- Racially Isolated (RI): Enrollment of protected-class students districtwide is more than 20 percent, compared to the number of protected-class students in one of their adjoining districts.
- 2. **Adjoining:** District physically adjoins a racially isolated district.
- 3. **Racially Identifiable School (RIS):** Enrollment of protected-class students at a school is more than 20 percent, compared to the number of protected-class students within the district (for the same grade levels served).
- 4. **Voluntary:** District participates voluntarily when geographically feasible. Participation must be approved by the Minnesota Department of Education (MDE).

Goal #1

C. OPERATIONAL ITEMS

AGENDA ITEM: <u>Certification for 2021 Payable 2022</u>

Preliminary Property Tax Levy

MEETING DATE: September 27, 2021

SUGGESTED DISPOSITION: Operational Items

CONTACT PERSON(S): <u>Tim Wald, Assistant Superintendent for</u>

Finance and Operations;

Andi Johnson, Director of Finance

BACKGROUND:

The School Board is required to certify to the auditors of Anoka, Ramsey, and Washington Counties the School District's preliminary 2021 Payable 2022 Preliminary Property Tax Levy by September 30, 2021. The most recent levy estimate will be provided at the School Board meeting.

The administration recommends that the School Board certify the maximum levy as provided by state law; certifying the preliminary levy in this manner allows for changes prior to the final levy certification in December. Changes could be made for a variety of reasons, such as changes to state aid and levy calculations made by the MDE, or changes made by the District such as previously unanticipated Long-Term Facilities Maintenance (LTFM) projects.

School districts are required to discuss the payable 2022 levy and the current year's budget (fiscal year 2021-22) at a regularly scheduled board meeting and allow the public to speak. This will occur at the December 13, 2021 School Board meeting at 6:00 p.m. The final levy certification will be approved at this same meeting.

RECOMMENDATION:

Approve the maximum for the 2021 Payable 2022 Proposed Preliminary Property Tax Levy.

- 3. Taxes payable in 2022 are based on latest estimates of proposed levy, as of the date above.
- * For commercial-industrial property, the estimates above are for property in the City of White Bear Lake. The tax impact for commercial industrial property in other municipalities in the school district may be slightly different due to the varying impact of the Twin Cities Fiscal Disparity program.

AGENDA ITEM: Action on Revised 10-Year Long Term

Facility Maintenance Plan

MEETING DATE: September 27, 2021

SUGGESTED DISPOSITION: Operational Items

CONTACT PERSON(S): <u>Tim Wald, Assistant Superintendent for</u>

Finance and Operations;

Andi Johnson, Director of Finance;

Dan Roeser, Director of Building Operations

BACKGROUND:

In 2015 the state legislature established the Long-Term Facilities Maintenance (LTFM) Revenue Program (123B.595) for school districts, intermediate, cooperatives and charter schools. This program replaced Health and Safety, Deferred Maintenance, and Alternative Facilities Bonding and Levy programs.

The District annually updates the LTFM plan in July and makes adjustments when certifying the levy in September. The 10-year plan includes pay as you go levy revenue of \$3.96 million for FY 2022-23 (2021 Payable 2022 Levy), \$3 million in FY 2023-24 with the ongoing plan to levy \$3.5 million for pay as you go LTFM expenditures in FY 2024-25 to FY 2030-31. Attached are the District's 10-year expenditure and revenue plans.

RECOMMENDATION:

Approve the 10-Year Long Term Facility Maintenance Plan as presented.

Total Debt Service revenue on line 49 must not exceed total LTFM revenue for individual district projects (line 30) for any of the 10 years in the plan. 3. For 1A districts with old Alt Facilities bonding, the amount on line 22 will reduce initial revenue on line 10, less the H & S portion entered on line 14.
