# Capital Projects Levy Renewal

## Why this levy is important:

This voter-approved levy contributes significantly to the ability of the District to meet its ongoing and increasing capital needs. Renewal of the levy is projected to generate \$2,590,309 annually for an additional 10 years beginning in 2024.

The funds will be used in the following ways:

- **Safety and Security:** The capital projects levy allows the district to maintain and increase safety and security measures throughout the district.
- **Technology and related services:** The capital projects levy allows the district to provide classroom technology, software and computers for students. Related services include the maintenance of equipment and technology staff.
- **Textbooks, curriculum materials and equipment, and musical instruments:** The capital projects levy allows the district to purchase textbooks, curriculum materials and equipment, and musical instruments according to our curriculum replacement cycle.
- **Transportation:** The capital projects levy allows the district to purchase additional buses and vans for student transportation.

# Capital Projects Proposal and Tax Impact

## For Consideration:

Place renewal of the current Capital Projects Levy on the November 8, 2022 ballot with a rate of 2.208% times the net tax capacity of properties in the school district.

## Next Steps:

- *July 11, 2022 - School Board approves Resolution Relating to Renewing the Expiring Capital Project Levy Authorization of the School District and Calling a Special Election Theron.*
- *November 8, 2022 - Election Day*
