As a parent or guardian, you have the right to decline English Learner instruction at any time.** Every enrolling student must be provided with the Minnesota Language Survey during enrollment. ## 2018-2019 Media Release Form

Dear Parent/Guardian:

District policy defines a student's photograph as "Student Directory Information" and thus is public information unless you provide the appropriate notification to the school district that you would not like this information to be public (see information at <http://www.isd624.org/about/Forms.asp>). If your child's information is public, for example, your child's photo and name would appear in school yearbooks and classroom publications. Also, should your student receive a public honor or recognition, the District would provide your child's school picture to the honoring organization and/or media upon request.

In addition, the White Bear Lake Area School District asks for your consent for the following purposes:

- During the school year, the media may visit your child's school, with school permission, to cover special events and may want to interview, videotape or photograph your child.
- The White Bear Lake Area School District and the District's educational partners may also wish to use your child's photograph, voice, likeness or student work for promotional and educational reasons, such as in publications, posters, brochures, newsletters and videos; on District and school websites; on local cable television channels; or at community events (e.g. Marketfest).

To give your consent, please sign this form, which will be kept on file in our SIS system.

The 2018-19 Media Release Form is valid for photographs, voices, likenesses or student work recorded or created through September 2019. Thank you for your cooperation.

Student's Name (please print) \_\_\_\_\_

\_\_\_\_\_ **I give my permission** for my child to be filmed/photographed/interviewed by the media during school events and for the District and the District's educational partners to use my child's photograph/voice/likeness/work for promotional and educational purposes, including District/school/classroom websites and publications.

\_\_\_\_\_ **I do not give my permission** for my child to be filmed/photographed/interviewed by the media during school events and for the District and the District's educational partners to use my child's photograph/voice/likeness/work for promotional and educational purposes, including District/school/classroom websites and publications.

**\*\*\*\*Please note** that if you opt out of the Media Release Form, your child's photograph will be included in yearbook and classroom publications (including Schoology) unless you notify the district that you do not wish for Directory Information to be given out about your child.

# White Bear Lake Acceptable Use Policy

By signing this agreement, I accept and agree to abide by the White Bear Lake Area Schools Electronic Technologies Acceptable Use Policy. I realize that the primary purpose of using School District electronic technologies is educational. I will limit my usage to educational purposes that further educational goals consistent with the mission and policies of the School District.

I understand that use of School District electronic technologies is a privilege, not a right. Access may be revoked at any time by the School District, as it sees fit. Inappropriate use will result in suspension or cancellation of use and/or access privileges; payments for damages and repairs; discipline under other appropriate School District policies, including suspension, expulsion, exclusion, or termination of employment; or civil or criminal liability under other applicable laws.

I will not use School District electronic technologies to engage in any behavior that is illegal, inappropriate, destructive or harmful.

I recognize that, even though the School District uses technical means to limit student Internet access, these limits do not provide a foolproof means to prevent access to all inappropriate information. It is my responsibility to avoid such information and inform my instructor immediately if I access any inappropriate information.

I understand that my use of School District electronic technologies is not private and that all of my activity, transmissions, documents, posts etc., are subject to review and monitoring by School District personnel.

I release the School District from any liability resulting from actions I take while using School District electronic technologies including unwanted financial obligations.

The School District may provide personal accounts for communication, document sharing and access to educational tools. Any access I am granted to personal accounts through the School District must meet all of these criteria, or my privilege of use will be forfeited.

### REVIEW OF STUDENT DISCIPLINE POLICY

(Parents must review this information with their child before the Student Acknowledgement is signed)

1. All students are "held individually responsible for their behavior and for knowing and obeying the Code of Student Conduct" and the Discipline Policy.
  - The Student Discipline Policy is 24 pages long. It is your responsibility to understand and follow it. You can be disciplined for any violation of its terms. Go to [http://www.isd624.org/Files/teachingandlearning/506\\_discipline\\_revise61316.pdf](http://www.isd624.org/Files/teachingandlearning/506_discipline_revise61316.pdf) to review the discipline policy.
  - You might be disciplined for violations of the Code of Conduct or Discipline Policy regardless of any other student's behavior.
2. The Code of Conduct and Discipline Policy do not just apply at school. They also apply at school activities and trips, school functions or events, school buses and other school vehicles or school approved vehicles, bus stops, the property immediately next to school property, and students' walking routes, when used for the purpose of attending school or school related functions or activities.
  - There might not be a school employee present at some of these locations (e.g., walking routes and some school approved vehicles). But, your behavior is still subject to the Code of Conduct, the Discipline Policy, and other school policies
3. The Code of Conduct also applies to any student, regardless of that student's location or the time, whose behavior interferes with or obstructs the mission or operations of the school district or the safety or welfare of the student, other students, or District employees.
  - This means that off-campus conduct (including bullying and cyberbullying) might result in discipline, if it affects the school or jeopardizes the safety or wellbeing of a student or staff member.
4. The Code of Conduct lists specific examples of prohibited behavior that might result in discipline. There are 48 items listed, which include:
  - Inappropriate, abusive, threatening, or demeaning actions
  - scholastic dishonesty- including possession and/or misuse of nuisance devices or objects which may cause distractions or disruptions and which may jeopardize academic integrity
  - Attendance problems including, but not limited to, truancy, absenteeism, tardiness, skipping classes, or leaving school grounds without permission;
  - Students can also be disciplined for violations of other school and District policies, including the policies about bullying, violence, hazing, and computer use.
5. The School District has the right to select a particular type of discipline to respond to any particular misconduct. The minimum level of discipline is a discussion of the violation and a verbal warning. At the District's discretion, more severe behavior may warrant more severe discipline, up to and including suspension or expulsion.
  - For example, the District might propose expelling a student for fighting, possession or distribution of drugs, theft, assault, or bullying- including cyberbullying -even if the student did not have any previous discipline.
  - The District may also propose expulsion if a student possesses a weapon at school. The District's weapons policy makes an exception to this rule for a student who finds a weapon on the way to school or discovers that he or she accidentally has a weapon in his or her possession. In order to fall under this exception, the student must immediately take the weapon to the Principal's office. If it is impractical or dangerous to take the weapon to the Principal's office, the student can, instead, immediately turn over the weapon to an administrator, teacher, or head coach, or immediately notify the administrator, teacher, or head coach of the weapon's location.
6. The Discipline Policy specifically prohibits the use, distribution, intent to distribute, making a request for, and being under the influence of, alcohol, narcotics, drugs, prescription drugs (other than your own prescription used in accordance with a doctor's order), or look-alike substances at school or in a school function. This includes sharing prescription drugs with other students. The School District reserves the right to screen students and their guests for evidence of alcohol consumption at school-sponsored events. If there is reasonable suspicion, the District may also screen students for evidence of alcohol consumption during the school day.
7. Behavioral infractions, including those involving alcohol, drugs, or other controlled substances, may violate the Minnesota State High School League's rules. Violations of the League rules may result in penalties required or authorized by those rules, in addition to any school-based discipline. Students must remember that the League rules apply at all times, regardless of whether school is in session. If the District becomes aware of a violation of a High School League rule that took place outside of school, on a weekend, or over the summer, it may be required to impose penalties consistent with the High School League rules.
8. The School District expects students to help maintain a safe and orderly learning environment not only by following District policies, but also by cooperating in any investigation and disciplinary proceedings related to violations by other students.

Student Name \_\_\_\_\_

I hereby acknowledge that I have received and reviewed the White Bear Lake Area Schools Student Discipline Policy and Code of Student Conduct. I further acknowledge that I understand that my behavior is subject to the Student Discipline Policy and Code of Student Conduct and that I may be disciplined for violations of the Student Discipline Policy and Code of Student Conduct.

### **White Bear Lake High School – South Campus School Bus Registration Form Grades 11 & 12**

White Bear Lake High School - South Campus students entering grades 11-12 in September, who are eligible for transportation, **MUST REGISTER** for bus service. We can optimize school bus route planning if we know which students will actually ride. Students in grades 11-12 will **NOT** be listed for service unless we receive this registration form. If your student(s) will require transportation for the coming year, please complete the form using the link below. If you waive transportation services at this time, and your situation changes, you may re-establish busing at any time by contacting us. There may be a delay of 2-3 business days before transportation is available. Please contact Transportation and your child's school if any of this information changes during the school year. Postcards with bus information will be mailed in late August. If you have questions, please call Transportation at 651-407-7538.
